

**ANNA UNIVERSITY, CHENNAI**  
**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**  
**BE - FINAL YEAR PROJECT :: DECEMBER 2021- APRIL 2022**  
**Team II - First Review Instructions**

Keep your laptops fully charged. All members of the team need to be present for the review.

**1. Document Preparation:**

Prepare a summary with following details

1. Title of the project work
2. Name & Reg. No. of Team Members and Guide's Name
3. Problem Statement
4. Introduction (related to the area of the project of min 2 pages)
5. Summary of related work (min 3 pages)
6. System Architecture
7. Details of Module Design indicating the intermediate deliverable(s)
8. Implementation details (30%) and the corresponding results/ snapshots
9. Metrics for evaluation
10. Test cases
11. List of references in standard IEEE format

**2. PPT preparation:**

1. Title of the project work
2. Introduction
3. Overall Objective
4. Literature Survey (should be in Tabular form)

**Note:**

i)

Paper Title, Authors, Year, Journal name, Vol, Issue & PP	Methodology/ Technique/ Algorithm used	Issues / Gaps/ Limitations

ii) Summary of issues in one slide of the ppt

5. Proposed System

6. Overall Architecture
  - In each diagram use the colors mentioned below to distinguish the components:
    1. Your contribution - Green color
    2. Existing Algorithm with modification - Pink color
7. Detailed Module Design with intermediate deliverable(s)
  1. Detailed diagram for each modules with separate inputs and outputs
  2. Module wise Pseudo-code/Algorithms
8. Implementation details (30%) and the corresponding results/ snapshots
9. Metrics for evaluation
10. Test cases
11. References

### **3. Review marks will be assigned based on the following parameters**

Frequency of meeting the guide  
Document  
Complexity of the project  
Detailed Design  
% Completed  
Metrics and Test cases  
Implementation  
Quality of Presentation

Note: Students are asked to maintain a record(softcopy/hardcopy) of the interactions (Date wise) with the guide and submit on the day of review (duly signed by the guide).

**Project Committee Members**
